
The Executive Director of the Academic Lyceum closely examined the living conditions of the lyceum students

On September 25, 2024, Dilshodxon Islomov, the Executive Director of the Academic Lyceum of the Samarkand State Institute of Foreign Languages, closely examined the living conditions of the lyceum students residing in Dormitory No. 2 of the institute. He also held a sincere and open dialogue with the young students living there. Additionally, relevant instructions were given to the responsible personnel to address the shortcomings identified in the dormitory.
