
Congratulate you all on October 1st, “Teacher and Mentor Day

As Alisher Navoi said:

“If the disciple is a shaykhul-Islam, if he is a judge,
If the teacher is pleased – God is pleased.”

Indeed, no matter how much praise we give, it is never enough for the noble work of teachers who dedicate their eyesight, heart, and their entire conscious life to educating and nurturing the younger generation, helping them grow in the spirit of national and universal values. In a word, they are building the foundation for the future of our nation.

Dear colleagues, diligent teachers, and esteemed intellectuals! You are the architects of the future, carrying the responsibility of educating and nurturing the younger generation on your shoulders.

On this occasion, I sincerely congratulate you all on October 1st, “Teacher and Mentor Day.” Wishing you all a happy professional holiday, dear friends!
